

Think before you link

Connecting with unknown profiles on social media can put you and your organisation at risk.

Stay safe, remember the four Rs

Recognise
a suspicious profile

Realise
the potential threat

Report
your concerns

Remove
them from your network

Check before you connect

Your new connections aren't always who they say, and this can put you and your organisation at risk.

Stay safe, remember the four Rs

Recognise
a suspicious profile

Realise
the potential threat

Report
your concerns

Remove
them from your network

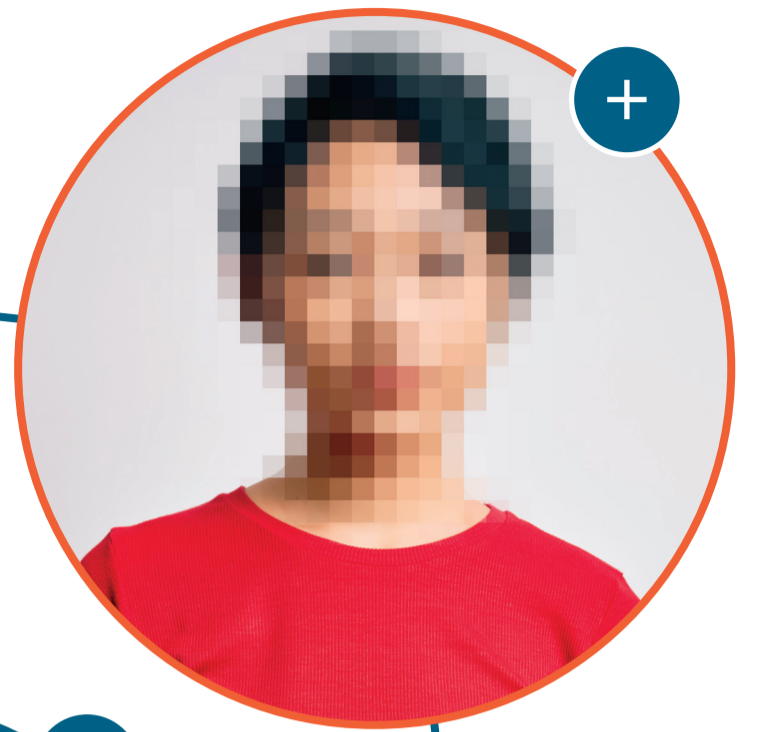

Connection or con?

Your new connections aren't always who they say, and this can put you and your organisation at risk.

Stay safe, remember the four Rs

- Recognise** — a suspicious profile
- Realise** — the potential threat
- Report** — your concerns
- Remove** — them from your network

Hiring or hiding?

Your new connections aren't always who they say, and this can put you and your organisation at risk.

Stay safe, remember the four Rs

Recognise
a suspicious profile

Realise
the potential threat

Report
your concerns

Remove
them from your network
